(Use additional sheets if necessary.)

Taught high school chemistry and advanced chemistry at Mondovi High School.

Taught drug field testing to law enforcement on average of four times a year. This was a six-hour class on drug field testing, evidence packaging, drug laws and courtroom testifying.
I have written article for the Wisconsin Narcotic Officers' Association (WNOA), and for the Clandestine Laboratory Investigative Chemist (CLIC) journal, Wisconsin Law Enforcement Bulletin and Microgram Journal.

I wrote the revision of the constitution and bylaws for the CLIC organization.

Helped organize, arrange and train law enforcement statewide in the use of NarcoPouch kit for drug field testing. 1999-2000

Organized and taught law enforcement statewide in the use of the new Nark II drug field testing master training course. This course was taught in five different locations in the state during a one-week period with one hundred forty-four new master trainers certified. November, 2004.

I wrote an article for the *Clandestine Laboratory Investigating Chemists Journal*, Volume 15, Number 3, July 2005, "Wisconsin Pseudoephedrine Law"

I wrote an article for the *Journal of the Clandestine Laboratory Investigating Chemist Association*, Volume 15, Number 3, July, 2006 "Cocaine Base To Soup"
